KANESWARAN WHO IS THAT?

A fascinating life prepared him to make such a statement. Born in Ireland the youngest of eight kids to a Sri Lankan father and Irish mother, SIVA got hooked on soul and R&B as a child. In order to overcome a speech impediment, he sang when he couldn't speak—mimicking favourites a la Lionel Richie and Sade. By high school, he picked up guitar and grew as a writer. Moving to London, his first music audition led to a spot in The Wanted in 2009.

KANESWARAN WHO IS THAT?

Between selling out shows everywhere and supporting the likes of Justin Bieber, the band earned multiple awards with “Glad You Came” and a gold plaque for “Chasing The Sun” in addition to starring in the E! series The Wanted Life. 2015 saw The Wanted disband amicably as SIVA quietly planned his next move under-the-radar.
